

Dearest Loving Tree families, present and future,

We want to give you all a quick update during these Covid-19 days. The staff and volunteers of Loving Tree School and United Church of Ferndale, with the ever guiding help of Pastor Bobbi, is researching and putting together a protocol for reimagining life together. We look forward to the day we will open our church doors with wide smiles to greet you!

We are so grateful to our teachers, Angie, Mrs. B, Susan and Lisa for their efforts to stay connected to our families (**YOU**) via Facebook Live, videos, and personal notes with surprises for the kiddos who are taking part in these offerings. We continue to send program supervisor, Kelly, our warmest wishes as she takes care of her health while on a medical leave.

We're creating a way to celebrate those students graduating to Kindergarten next year. On Friday, June 12 at 6:30 tune into either Facebook Live or Zoom for a virtual graduation. Zoom information will be posted on the Loving Tree Facebook page. Your teachers will be delivering a special bag to your home on June 10. Please have your child put on their cap and stole during the virtual graduation. As we are not able to have cookies after the graduation ceremony, please plan on having a special dessert that evening.

We give a HUGE shout out of gratitude to the generous donation offering to pay the salaries of our Loving Tree staff through June 12. We are blessed by the generosity of this individual!

Please email pastor@ucf1.org if there are ways our faith community can support you. If you are planning to register for the Fall program we encourage you to do so by downloading the forms from the Enrollment Materials section below, and then either email the forms to office@ucf1.org or mail them to United Church of Ferndale, PO Box 186, Ferndale, WA 98248.

As promised, we will be continuing to post further updates on the church website www.ucf1.org on July 1 and August 1.

Stay safe. Stay tuned!
